	Doc No : 1	Page No: 2 of 4

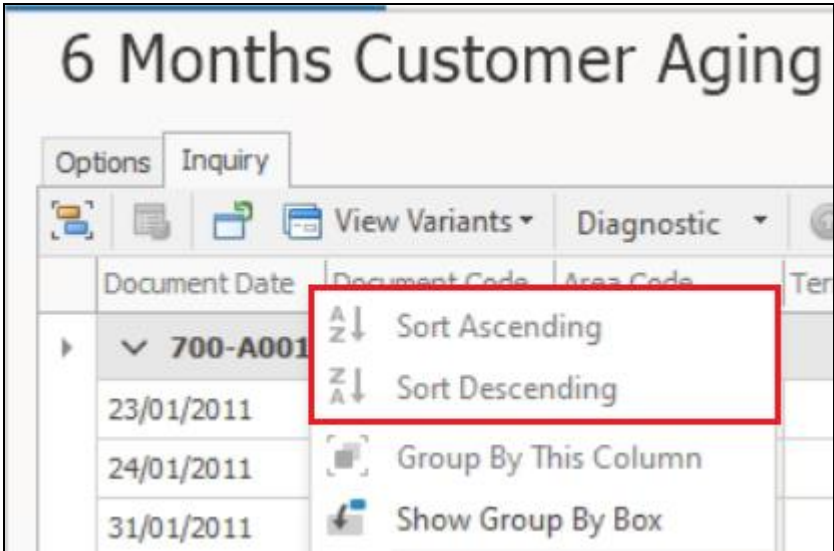

SCENARIO

Example: -

I would like to do column sorting on column [Date] in 6 months Customer Aging inquiry screen but it was dimmed (gray colored)

This was due to the design view has disabled the column sorting

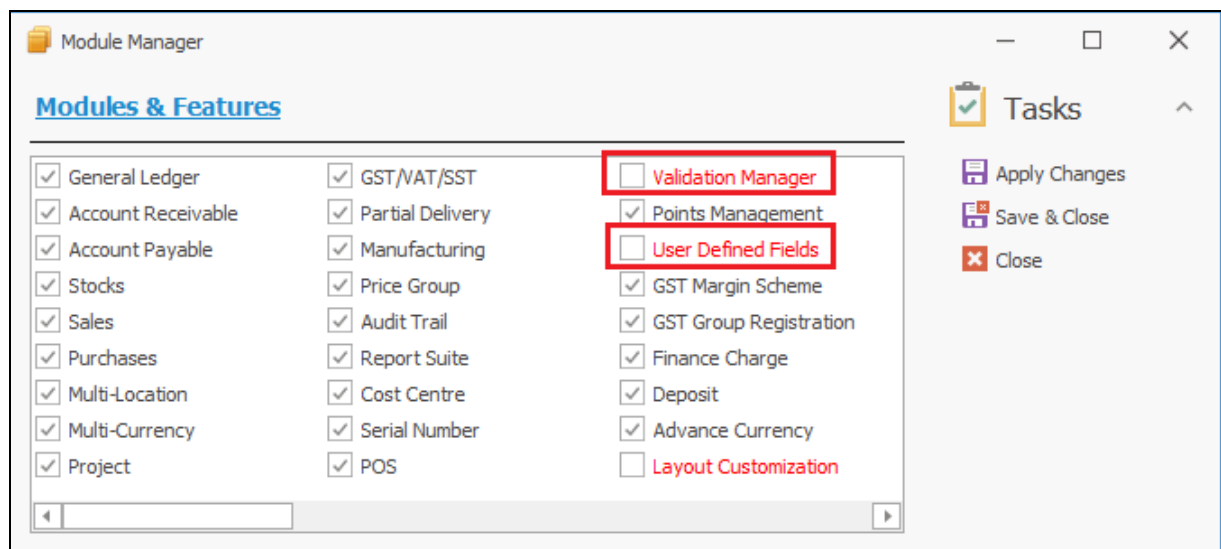

If you have subscribed ‘Validation Manager & User Defined Field’ module then you can enable it, otherwise you might need to contact your QNE Sales Consultant to subscribe

	QNE TIPS	
	Product : QNE Optimum	Version: 1.00
	Doc No : 1	Page No: 3 of 4

SOLUTION

1. Go to File > Module
2. Make sure you have tick checkbox for 'Validation Manager & User Defined Field' module
3. Select Save & Close

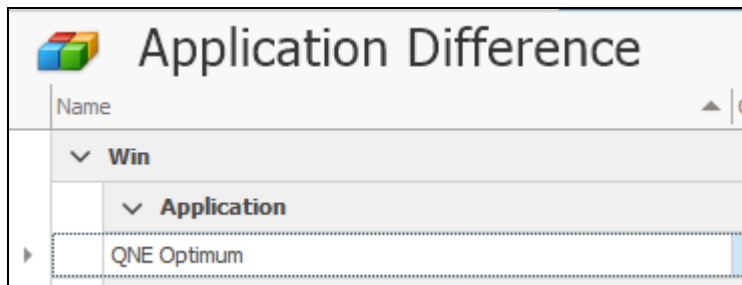

4. Go to Maintenance > Select System Options
5. Press and hold Ctrl + Shift + F9
6. Key in password 'Developer's Password' into prompted 'Customization Centre Verification' windows

	QNE TIPS	
	Product : QNE Optimum	Version: 1.00
	Doc No : 1	Page No: 4 of 4

7. Go to Tools > select Customization Centre
8. Expand Win > expand Application > double click QNE Optimum

9. Expand Views > expand QNE.ERP.Reports.Debtors.DataModel
10. Highlight DebtorAgingResult_ListView
11. Look for 'Behavior' on right-side panel
12. Change AllowSort from False to True

13. Save and Close
14. Logout and login your database
15. Now you have successfully enabled column sorting for 6 months Customer aging inquiry screen
